Oct 15 9am-5pm Jet Cat Scale, OT Rubber Combined, Flying Horde\*, WWII @noon, ***challenge event\****

Nov 5 9am-5pm Jet Cat Scale, OT Rubber Combined, Flying Horde\*, Greve/Thompson Race @noon, ***challenge event\****

\* ***Flying Horde*** is open to any FAC eligible model. Single flight, mass launch, last one down earns a Kanone. No Blue Max holders

***\*\*challenge events:*** Eaglerockers are encouraged to discuss online on our Yahoo group, in the weeks prior to the meet date. Gin up interest, lay down a challenge. The goal is to find at least three total competitors so the event qualifies for a kanone!
